

Greetings,

The University of Michigan holds a special place in my life. Since graduating from the University of Michigan in 1999, I've been giving back to the University, early on paying off my student loans and most recently with my annual donations to the athletic department and alumni association.

I believe I have another means to give back and wanted to share it with you.

I am a Senior Mortgage Loan Originator with Lake Michigan Credit Union which was just recently named the best Bank/Credit Union in all of Michigan in the November 2017 Money Magazines "The Best Bank in Every State" 2017/2018 edition. As the leading home purchase lender in the state we have a wide array of different financing options, but our Physician/Dentist and Community Edge loans stand alone.

I've been fortunate to work with many fellow U of M residents/alumni who've been able to take advantage of our Physicians/Dentist loans and would gladly provide contact information for you to verify their experience with me and our credit union.

If you are considering buying/building/renovating a home I hope you'll consider contacting me to discuss the myriad of low rate/cost loan options we offer.

Thank you for your time and consideration.

Sincerely,
