What Her Satisfied Clients say...

"I have known and worked with Patti for five years, and she has always been professional, helpful, and courteous. In addition, Patti is unbelievably good at what she does. She was able to take on my previous house which had languished on the market with another REALTOR for 9 months, and sell it within 3 weeks. I recommend Patti to everyone I know. She is a wonderful resource for the HOA and should be retained as such."
